Dear Maine Association for Community Service Providers,

On behalf of the State of Maine, it is my genuine pleasure to congratulate you and thank you for the amazing work you do for individuals with disabilities. Many people go through life with their own self interests in mind, but the people of MACSP and direct support professionals are some of the most unselfish people I have had the fortune to witness. Your consistent kindness and commitment to helping others is nothing short of extraordinary, and every one of you are role models for our communities.

Direct support professionals are valuable assets to our great State and undertake difficult tasks every day. They are the key to enabling individuals with disabilities to live meaningful, productive lives in a community. In the State of Maine we will recognize their hardships and amazing contributions every day. I am honored to have direct support professionals and MACSP working in this State to aid disabled individuals and invite all citizens in the State of Maine to join me in recognizing your admirable service and unselfish natures. We look forward to your continued work in our State and hold you in the highest respect. We pray for individuals with disabilities, that they may benefit from your services and live successfully in communities, and we acknowledge their difficult situations. Direct support professionals are viewed as heroes in the State of Maine and across the country, and I would not have it any other way.

Thank you for all the phenomenal work you do.

Sincerely,

Paul R. LePage  
Governor
