Dear Marti,

I am pleased to recognize "National Direct Support Professionals (DSPs) Week" in the State of Montana.

Montana is fortunate to have the many quality direct support professionals, that work hard to provide compassionate care to Montana seniors and individuals with disabilities in our great state.

I commend the efforts of the Montana Association of Community Disability Services to properly recognize (DSPs) for their contributions to direct care.

I encourage the citizens of Montana acknowledge the week of September 8, 2013 as "National Direct Support Professionals (DSPs) Week" and to recognize the importance of the direct support professionals committed to Montana's care.

Sincerely,

A handwritten signature in blue ink, appearing to read "Steve Bullock".
